THE TIME FOR BARGAIN SALES HAS ARRIVED.

The greatest volume of business is bunched up for the June month. The gathering is not by will, but by necessity. Manufacturers, importers, and merchants generally in many parts of the country are up to the neck with belated stocks. This great outlet is known far and wide; from all sides and from everywhere we are besieged to accept the sale of these stocks. Prices and sacrifices are passed over to

as if this store could do most anything. IT CAN DO MUCH.

Its princely power of buying and selling shifts stocks as by magic. But the selling season is over, or nearly so, and this recognized fact forces a condition that leads to violation of every rule for values.

Great shipments for Monday's business will of necessity produce

THE HURRY SCURRY TEMPTATION SALE.

No time to wait for values; no time to consider the cost anywhere. Quick selling will be the rule of the day. Whenever possible take small packages with you. In some instances quantities to any one customer will be limited, in order to make special bargain things as widespread as possible.
